# Friend to Friend (F2F)

**F2F** is a simple yet strategic plan to help make **Safe At Home** a successful mission one person at a time.

**F2F** has five simple steps:

- **List names** of family, friends and co-workers you want to introduce to Christ
- **Pray regularly** for those on your list
- **Build relationships** with these people so you can invite them
- **Invite your friends** to attend Safe At Home as your guest
- **Look after** those who respond to Christ and continue to pray for those who do not

I will faithfully pray for the following individual(s) to attend with me

1. \_\_\_\_\_
2. \_\_\_\_\_
3. \_\_\_\_\_

*“Andrew then went to find his brother...and brought him to meet Jesus”* John 1:41, 42
